

The image is a detailed architectural floor plan of a large assembly hall. The main hall area is shaded in light gray and is roughly rectangular. It is surrounded by a complex network of corridors and smaller rooms. At the top of the plan, there are several smaller rooms, including what appears to be a kitchen or service area with a sink and counter, and a room with a grid pattern, possibly a stage or a specific seating area. The walls are shown with thick lines, and doors are indicated by arcs. There are several windows along the perimeter, some of which are shaded with diagonal lines. The overall layout is symmetrical and organized for a large gathering.
